MEMORANDUM FOR: Associate Deputy Director for Intelligence

THROUGH: Director of African and Latin American Analysis

FROM: [REDACTED]
Director, Near Eastern and South Asian Analysis

SUBJECT: Request to Submit Manuscript Written by [REDACTED] for
Nonofficial Publication

1. The appropriate officers in NESA and I have reviewed [REDACTED] draft and find no classified information within it. In the few cases in an earlier draft where we had questions concerning classification, [REDACTED] has provided satisfactory answers.

2. I have talked to [REDACTED] concerning my personal view that it is inappropriate to publish an article on the outside which is clearly a spin-off of research that was done for an office publication. I believe that [REDACTED] understood my strong concern on this matter, but she was also informed that this was my view and it was not sufficient to deny outside publication if she opted to go forward -- which she now has.

3. Thus, I find no reason to deny publication of this article outside the Agency, and I reluctantly recommend that you approve.
